

Resurrection Rolls

Each item represents how Jesus' body was prepared for burial.

Ingredients:

Large Marshmallows

Melted Butter

Sugar/Cinnamon mixture

Cans of Crescent Rolls

1. Open can of crescent rolls and separate into triangles. The rolls represent the linen wrapping used in covering the dead.
2. Dip and roll one marshmallow - representing Jesus' body - into melted butter. The butter represents the oils used in anointing the dead body.
3. Roll the marshmallow in the sugar/cinnamon mixture. The mixture represents the spices used in burials.
4. Place the marshmallow in the center of the crescent triangle. Fold and pinch the edges tight. Put each crescent-wrapped marshmallow on a slightly greased cookie sheet. To make clean-up easier, line cookie sheet with aluminum foil before slightly greasing.
5. Bake the rolls as directed on the package. The oven represents the tomb.

When cooked, the marshmallow melts leaving only the puffed crescent roll.

This demonstrates how Jesus rose from the dead. All that remained in the empty tomb were the linen wrappings.
